

# PLAMEN GOSPODINOV GOSPODINOV

Software engineering student

I am 22 years old, currently a student at "Paisii Hilendarski" University of Plovdiv with an interest in design and front end development, I have hobbies, but they are not directly related to my profession.

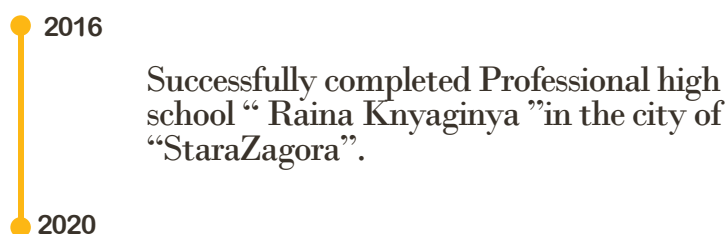

## ProgramLanguage Skills

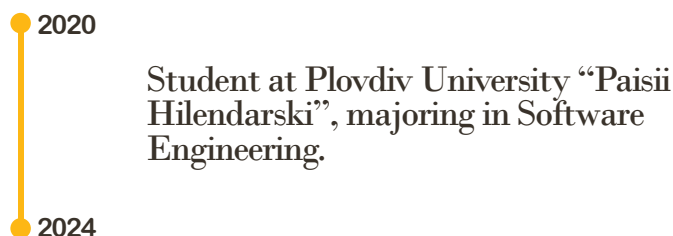

## Design Skills

## Secondary education

## Higher education

At the moment, I don't have prior experience, but in addition to university, I am enhancing my skills with additional knowledge and courses.
